**Teen Drivers Education**

*Skills that last a Lifetime.*

Learning to be a safe and defensive driver will be one of the most important skills acquired during your teen’s adolescence. Good skills and habits developed during their formal driving instruction with GLDA will last a lifetime.

Since 2002, Green Light Driving Academy has taught over 17,000 North Texas teens with the goal of promoting safe and meaningful instruction for teen drivers and helpful guidance for their parents.
